EXAMPLE OF THE POWER OF FOUR Fast Track Business Builder System with just 4 Platinum's on your front-line and 4 each on their front-line, through 6 levels: Imagine what you could earn when you repeat this system over and over again. The sky is truly the limit!

Level 1: 4 = \$400 CV x 15% = \$60	\$60 per month	ANNUAL INCOME: \$720
Level 2: 16 = \$1,600 CV x 10% = \$160	\$220 per month	\$2,640
Level 3: 64 = \$6,400 CV x 10% = \$640	\$860 per month	\$10,320
Level 4: 256 = \$25,600 CV x 10% = \$2,500	\$3,400 per month	\$40,800
Level 5: 1,024 = \$102,400 CV x 10% = \$10,240	\$13,660 per month	\$163,920
Level 6: 4,096 = \$409,600 CV x 10% = \$40,960	\$54,620 per month	\$655,440

The above scenario is simple AND EASY TO SHARE. When you go-wide fast and teach this system, you will be able to find 4 Platinum Partners on your front-line to work with whom in-turn can duplicate this system as well. Keep in mind that the Power of Four Fast Track Business Builder System will also create even more income for you as you duplicate it over and over and reach the Diamond and above levels in our pay plan.
